

## Prepositions

---

This is the TestMagic list of most of the prepositions you will ever see on the TOEFL. There are a few more prepositions in English that are not listed here, but you will probably not see them on the TOEFL since they are fairly uncommon.

This list is very important—you should know at least 90% of this list.

aboard	because of	in front of	regarding
about	before	in keeping with	respecting
above	behind	in place of	round
absent	below	in spite of	save
according to	beneath	in view of	saving
across	beside	including	similar to
after	besides	inside	since
against	between	instead of	than
ahead of	beyond	into	thanks to (because of)
all over	but	less	through
along	by	like	throughout
alongside	by the time of	minus	till
amid <i>or</i> amidst	circa	near	to
among	close by	near to	toward <i>or</i> towards
around	close to	next to	under
as	concerning	notwithstanding	underneath
as of	considering	of	unlike
as to	despite	off	until
as + ADVERB OF TIME + as	down	on	unto
as early as	due to	on top of	up
as late as	during	onto	upon
as often as	except	opposite	up to
as much as	except for	other than	versus
as many as, <i>etc.</i>	excepting	out	via
aside	excluding	out of	wanting
